I/We as PARENT and/or GUARDIAN of the student named above, apply for a parking permit to park the above vehicle(s) on the property of Fairmont High School during the 2018-2019 school year.

I/We understand and agree that this parking permit grants the right to park a vehicle on school property in consideration of my/our agreement and acceptance of the following conditions and payment of the permit fee:

1. The vehicle may be parked ONLY in the assigned parking spot and clearly display a FHS permit on the front window or on the inside mirror. Students may not park in unauthorized areas, such as the Visitor, Staff or Trent Facility Parking lots. If there is an issue, students will temporarily park in the Overflow Lot and notify the South Unit Office of the issue.
2. Students may not have in any vehicle parked on school property any alcohol, drugs (except prescription medication for which a school medication form has been filed with the administration), tobacco products, weapons, knives(except knives or other cutting objects approved for usage in a class taken by the student), other items which students are prohibited from having on school property under the rules, regulations and/or policies of the school or other items deemed by the administration to be detrimental to the health and safety of students, faculty, staff or administrators.
3. The Kettering City School District, its board members, administrators, staff and employees is/are not responsible for damage to this vehicle while on school property or for the loss of any personal property from such vehicle while on school property.
4. The school administration has the right to search and/or inspect the above described vehicle(s), on school grounds, when there is reasonable suspicion that the vehicle contains an item(s) described in above stated Rule #2.
5. The student to whom the permit for the parking of the above vehicle is granted shall be responsible for all items found in the vehicle.
6. Any illegal or prohibited items found in a vehicle may be confiscated and may result in discipline of the student in accordance with applicable school policies and may result in prosecution.
7. In performing any search/inspection of any vehicle, school administrators may utilize police officers and devices or animals trained in locating particular items.
8. Students are expected to follow all traffic and safety rules. Reckless or unsafe operation or failure to follow designated traffic patterns or staff directions may result in discipline. The maximum speed will be 15 MPH on all roadways and parking lots on school premises.
9. Students are expected to be on time for school and maintain academic success. Excessive tardies to advisory or school, poor attendance or unsatisfactory academic performance may result in a loss of parking privileges.
10. Leaving campus without permission and/or transporting other students off school grounds without proper authorization for the occasion is not permitted and may result in the loss of parking privilege.
11. Students are not permitted in the parking lot during the school day without a pass from a unit office.
12. Students may not operate an unsafe vehicle or display inappropriate symbols or materials.

Failure to follow parking lot procedures may result in a loss of privilege and/or disciplinary action. Signatures below acknowledge an understanding of the expectations for obtaining and maintaining a parking tag.
