

## 2011 SPIRIT SHIRT – “IGNITE THE PRIDE”

The last two years the Kettering community has contributed almost \$15,000 to the Spirit Chain competition by purchasing Spirit Shirts. We couldn't beat Centerville without your help and we appreciate your support. This year, we are offering the “Ignite the Pride” Spirit Shirt (\$10), as well as a long sleeve t-shirt that says, “FIREBIRDS” (\$15).

### What is Spirit Chain?

Spirit Chain is a competition between Kettering and Centerville Schools to see which school district can raise the most money for charity prior to the Fairmont/Centerville football game on Friday, September 30. Last year, with the support of the Kettering community, Fairmont raised a record setting \$83,915.33!

### Where does the money go?

This year all the money will benefit three organizations working in our community: Kettering Backpack Program, Goodwill/Easter Seals and We Care Arts.

- Kettering Backpack Program provides food to Kettering elementary and middle school students to eat over the weekend. Due to the current economy, this program has nearly tripled in the last year.
- Goodwill/Easter Seals will use the money to provide a staff member to Daybreak, a local youth shelter, to help teens plan for future education and employment.
- We Care Arts is a local facility that turns “disabilities into possibilities” via art. Spirit Chain money will help fund art programs for students with disabilities in various Miami Valley schools.

### How do I order?

Please fill out the form below and include your payment. We can accept checks (payable to Kettering Schools) or cash. The order form and payment must be returned to the student's office by Thursday, September 15<sup>th</sup>!
