

★ The PTA Needs You! ★

What is a PTA?

PTA stands for Parent Teacher Association, a school-based organization with a mission to make the school a better place for children to learn. Parents of students work together with teachers to volunteer in classes, raise money for school supplies, and generally support the school's efforts.

Why join the Beavertown PTA?

Children Benefit

Research shows that children perform better when parents are engaged in education both at home and at school. Parental involvement boosts student achievement. By joining the PTA, your child will see firsthand the importance you place on education.

Schools Benefit

PTA provides support for administrators and teachers. The PTA strives to create a positive and caring atmosphere in the school.

Make Connections

PTA involvement helps you stay connected with the school and allows you to gain a broader perspective of how you can play a supportive role. Working together helps build a stronger foundation for students to grow and thrive. PTA can be a way for you to more effectively suggest change at your child's school.

It's Good for You

Volunteering with your PTA allows you to contribute your skills and knowledge for the benefit of not only your child but your school community. The PTA can help you gain expertise as a leadership volunteer, build your resume, and make friends for life.
