Dear Parents:

The form on the other side is provided in accordance with Section 3313.712 of the Revised Code of the State of Ohio. The purpose is to enable parents and guardians to authorize the provision of emergency treatment for children who become ill or injured while under school authority, when parents or guardians cannot be reached.

Be sure you complete a form for each of your children. If a form is lost, or one of your children does not bring a form to you, call the school office and request that another form be sent home with your child.

If, at any time, you wish to make a change in what you have put on the form, you may call your child's school and request another for completion.

Sincerely,

Dan Von Handorf
