Parents/Guardians:

We are excited to share information about our new English Language Arts and math curriculum adoptions for the middle schools. The English Language Arts program is called *StudySync* and the math program is called *Eureka*.

Attached are handouts that provides a wide overview of the programs. If you type in the following urls, they will lead you to additional information about each program.

StudySync: <https://tinyurl.com/yy6b6sy4>

Eureka: <https://greatminds.org/math/parent-support>

If you have questions about the program, please reach out to your student's teacher.

Sincerely,

Kettering Teaching and Learning Department

StudySync Brings English Language Arts to Life

Richer, more dynamic, and more targeted content enables ELA educators to teach with passion and purpose and inspires students to explore the power of the written word.

- ✓ 180 days of differentiated instruction at each grade level
- ✓ A vast, continuously growing library of current and classic literature
- ✓ Multimedia tools that inspire students to learn on a deeper level
- ✓ Engaging digital instruction with full print support, including a comprehensive Teacher's Edition and consumable Student Reading and Writing Companions
- ✓ Full flexibility to teach the literature you love

"StudySync is a progressive tool that can help students develop 21st century literacy. I love that students can engage with a variety of media, read a wide range of texts, annotate digitally, listen to audio recordings, watch video clips, and anonymously provide peer feedback on each other's work!"

- Caitlin Tucker, Windsor High School, Windsor, CA

Imagine...

ALL of your students equally engaged with rigorous content

ALL of your students building skills and reaching academic goals

ALL of your students inspired to read, write, and learn

It's all possible with StudySync™
