### 4. Superintendent Inskeep- Tim Miller stood in. (Assistant Superintendent)

Spoke on Renewal Levy coming up Tuesday May 7, 2019.

Thanked everyone for their support of JFK and Kettering City Schools.

Kettering is a phenomenal school district because of school system and community.

This is a renewal levy. No new taxes. Levy was originally approved in 2004. It has been renewed twice. 2009 and 2014. This generates \$8.1million dollars for the district.

This is a \$6.9mill levy. It is a Final temporary levy. Voters will not be asked for another renewal.

This is the last one on the books, and it will become permanent if approved.

This is NOT an operating levy. Those will be the only ones from this point forward.

Operating levies are not permanent.

Any questions, you can contact Dan Shaw who is the superintendent treasurer.

### 5. Principal's Report

The Family dance was great!

Reimbursing Teachers- we need to be on the same page. Who gets what? What is the process? Monica, April and Scott will talk and figure this out.

Friday Starts break

Testing for 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> graders starts after break

Safety- Parent pickup is getting lax. Parents are to pick up kids at the door. Parents have been waiting for kids at their cars waiting for kids to cross the road.

There will be a reminder sent out to parents about pick up.

Reminder-Election will be on May 7, there will be no school that day.

Ingrid questioned if voting location change had been looked into. It is a long drawn out process in order to change locations.
