

School Supply Lists

School supply lists can be found online at the Kettering City Schools website, www.ketteringschools.org. Select John F. Kennedy Elementary from the "Schools" dropdown menu.

Bus Schedules

You can access bus route information from the main website by clicking on "Departments" and then select "Transportation," followed by "Bus Routes."

Car Rider Drop Off

Our car rider lane is easy to access from Pondoray Place. This entrance leads into the back of the school by our playground. Students are dropped off along the sidewalk towards the front of the school. Please pull all the way up to the front of the sidewalk and have your child ready to exit the car to help the line move quickly.

Parent Pick-up (Car Rider)

Our car rider lane is easy to access from Pondoray Place. Please communicate with the teacher if your child will be picked up in a car. A sign with a number and your student's name will be sent home. The person picking up the child will need to have the sign displayed on the dashboard. Please be patient the first week or two as we get our procedure in place. **Parents are not allowed to park on the street.**

Walkers

Students who walk home, or are met by a parent to walk, will exit out the library doors. Walkers are not allowed to be picked up by a parent parked along the street. This blocks traffic along Polen Drive. **If you pick up in a car, you must proceed to the car rider line.**

Daycare

JFK will be offering daycare for our students beginning August 12th. The cost of daycare is \$7.00 per hour per child. The daycare is open Monday – Friday **on days when school is in session from 6:45 a.m. to 8:00 a.m. and 2:30 p.m. to 5:30 p.m.** You may register for this service by going to www.ketteringschools.org, click on "Schools," select John F. Kennedy Elementary, click on "JFK Quick Links" and select "Procure Online Child Care Registration.". **Daycare will be open on weather related 2- hour delay days.**

Curriculum

The Ohio State Standards guide the instruction for our students. We continue to offer flexible grouping to deliver an intervention-based schedule to meet the needs of each child. We believe it is our place to meet children where they are developmentally and challenge them to grow both academically and socially. We will find a way to support all children in reaching their full potential.

Website

Please visit our website to find information regarding new student registration, immunizations, school supply lists, preschool programs, school and district calendars, school events, JFK PTO news and many other forms needed for school activities. You can find our website at www.ketteringschools.org.

This school year, your students will continue to practice the **Kennedy Keys to Success**. Students will learn what it means to be a respectful, responsible and safe "Kennedy Kid!"
