Select Basketball 2nd* - 6th grades

2022-2023 Season

* 2nd grade boys will have a team and 2nd grade girls may also or will be allowed to try out for 3rd grade girls teams

Kettering Basketball Club (Future Firebirds) is a non-profit organization for both boys and girls who attend Fairmont feeder schools** and who want to play youth basketball on a competitive level. Organizations such as this are more commonly known as "Select" Basketball Clubs because there is a tryout process that a player must go through in order to be selected for a team. There will be one or two teams per grade for both boys and girls depending on numbers of players and coaches.

**exceptions may be made for returning players and for teams with less than full rosters

Tryouts: There is no charge for open gyms or tryouts **but you must register online to participate**

Cost: \$200 per player* (Payment plans are available. Includes reversible jersey, shooting shirt & shorts to keep)

**We will likely do the same fundraiser as last year so all of your fees can be fundraised*

When: **Open gyms are starting Sun, Sep 4 for older grades and during that week for younger grades.**

Tryouts will be held in early October. League games should start in late November to early December and end in late February with a season ending tournament to follow.

Upon registration you will receive a portal link where all information specific to your child will be placed, including open gyms and tryouts. Use that to express interest in events and mark arrival as shown in example below.
